

## **Oral Histories by Nancy Camden**

A priceless gift that appreciates in value!

---

**Plan 1:** One hour of recording time with editing. \$150

Included in this fee structure is travel time\* and expense, set up and take down of equipment, editing ( at least four hours for every hour), burning of one archival-quality gold CD burned into chapters plus custom-designed covers of jewel cases with customer provided photographs and delivery of the finished Oral Histories.

**Plan 2:** Two hours of recording with editing. \$300

**Plan 3:** Recording until the job is finished or portions of hours.

\$50 an hour for recording plus \$100 for each hr. recorded for editing.  
(Three to four hours of recording has been the longest to date.)

---

Additional CDs may be ordered for \$7 each - A compact disc holds 80 minutes. If the oral history requires two or more CDs, each CD is \$7 each. ***Sales tax added to the total.***

\* Thirty miles of total travel included. Extra mileage charged at standard rate government rate of 51 cents per mile for 2011.

*These are extremely reasonable fees. Prices will increase in 2012.*
